

2015-2016 Developmental Nursery School Registration

Thank you for your interest in the Developmental Nursery School at the United Church of Christ Congregational. Founded in 1963, our program is licensed by the Ohio Department of Job and Family Services. Our small class sizes are designed to enhance your child's academic and social skills through worthwhile growing experiences in an atmosphere of caring and understanding. We offer a 33 week program for 3, 4, and 5 year old children. Our classes meet on Tuesday, Wednesday, and Thursday from September-May. Activities include hands on learning experiences, socially interactive play, small group activities, weekly library and music time, large muscle development, and snack time. All activities are based on Ohio's Academic Content Learning Standards for Early Childhood Education. Total school enrollment is limited to 36 children per session and tuition is \$120.00 per month.

To qualify for enrollment, your child must be potty trained and at least 3 years old by September 30th, 2015.
